Journal of Free Radicals in Biology & Medicine (final issue, Volume 2, Number 5/6, 1986) and *Advances in Free Radical Biology and Medicine* (final issue, Volume 2, Number 2, 1986) were merged as of Volume 3, number 1, 1987, of *Free Radical Biology & Medicine.*

Production Editor: Jeannine Kelsey Tocco, Pergamon Press, Tarrytown, New York.

Publishing, Advertising, and Subscription Offices: Pergamon Press Inc., 660 White Plains Road, Tarrytown, New York 10591-5153, USA, E-mail Address: ESUK.USA@ELSEVIER.COM; or, Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, England.

Published 12 Issues per annum, 2 volumes: *Annual Institutional Subscription Rates 1994*: North, Central and South America, U.S. $755.00, Rest of World £490.00. Associated Personal Subscription Rates are available on request for those whose institutions are library subscribers. Sterling prices exclude VAT. Non-VAT registered customers in the European Community will be charged the appropriate VAT in addition to the price listed. Prices include postage and insurance and are subject to change without notice. A subscription to *Free Radical Biology & Medicine* is a benefit to membership of the Oxygen Society. For information about the society, please contact: Ms. Susan Godber, Editorial Assistant, Oxygen Society/Free Radical Biology & Medicine, Biodynamics Institute, 711 Choppin Hall, Louisiana State University, Baton Rouge, Louisiana 70803-1800, USA. Members of the Society for Free Radical Research may order personal subscriptions at a concessional rate; details of this rate are available upon request.
